

DRIVERS

Drivers play a fundamental role in the running of the food bank: collecting food donations from a variety of locations across the local area as well as distributing the sorted donations from the warehouse to the local food bank centres.

Do you have:

- have a van/car to use
- around 2.5 hours a week to volunteer (various times & days available to suit)
- The work involves:
 - loading food crates into your vehicle
 - delivering it to our foodbank centres within Lichfield
 - Transporting food from collection points to the warehouse for sorting, and finally onto one of our local foodbanks

A confident and safe driver, you'll enjoy being part of a team and be physically strong so that you can lift and load crates of food. Your flexible and committed approach will help to maximise donations and improve the efficiency of the food bank.

To apply please complete an application form and email it to Linda on lichfieldvolunteers@lichfield.foodbank.org.
